## NUMBERING AND EMBROIDERY

### NUMBERING

we can number most of the garments in our teamwear range and the numbers come in any of the standard colours shown above. the three standard sizes are 4" (for shorts and fronts of shirts), 8" and 10" (for backs of shirts).

- 4" - \$2.80 per digit
- 8" - \$3.95 per digit
- 10" - 4.45 per digit

we can add individual names to shirts. standard size is 5cm high. based on one line, price is \$11.25 per name

### EMBROIDERY

to embroider your garments we will need to digitize your logo, this will incur a one-off set up fee. price on application. the logo itself is charged at a rate per thousand stitches, so the number of colours or the complexity of the design are irrelevant to cost. club logos (normally applied to the left chest) and small sponsor logos are ideal for embroidery. almost any type of garment can be embroidered, in almost any position.
